## Is Your Forest Healthy?

Whether you own a few acres or a large tract of forest land, this educational event is for you! Come join the ranks of more than 5,000 family forest owner's, just like you, who've already benefited from these very popular educational events all across Washington and Idaho!

Choose from more than 20 "how to" topics to help you assess the health of your forest and make informed decisions about caring for your land.

### Schedule

Available on-line at [www.ncw.wsu.edu/foreststewardship](http://www.ncw.wsu.edu/foreststewardship)  
Gates Open: 8AM

Morning Presentations: 9, 10, 11

Afternoon Presentations: 1:30, 2:30, 3:30

### About the Site/ Services/ Mobility Assistance

Located just off US 101 at milepost 320 on the Hood Canal, the Hamma Hamma Tree Farm has been in continuous family ownership since the late 1800s. The family also operates an adjoining shellfish business (which you're invited to tour—see program schedule). Parking immediately adjacent to presentation stations. Portable restrooms, coffee, refreshments, drinking water available on site. Seating provided at presentation stations and lunch area. Vendors and displays. You'll need to walk short distances over nearly-level forested terrain. **Mobility assistance available if requested in advance:** WSU Extension, 360-337-7157. Dress for the weather and wear sturdy footwear.

### Lunch

On-site BBQ lunch to benefit North Kitsap HS Future Farmers of America (\$7). **Must be ordered no later than September 10.** Or, bring a lunch or dine along US 101.

## Educational Programs

You will be able to attend up to 6 different presentations from the list below. Please note that topics are offered only at the times shown in the program schedule. **Be sure to check the schedule on-line at [www.ncw.wsu.edu/foreststewardship](http://www.ncw.wsu.edu/foreststewardship) or call WSU Extension 360-337-7157 to have one sent to you before the event.**
